

SUPPORT OUR TROOPS

Listed below are the names and addresses of two Platoons that need our support. Both Platoons are stationed in Afghanistan. Their names, addresses and a "wish list" provided by the guys themselves are listed below. There are no "females" in either Platoon.

There will be boxes placed around the office in which you may make donations of any of the items listed below. Each package costs approximately \$11 to ship and we plan to send several shipments throughout the year(s). If you are interested in making a monetary donation to cover the shipping charges, please give them to Libby Stanley in CPD. It takes approximately 2 weeks for the mail/packages to be received at their destination so the following shipment dates are planned. We will ship more often if there are enough donations to fill a box.
